

## Flashcards: Numbers

Hi everyone!

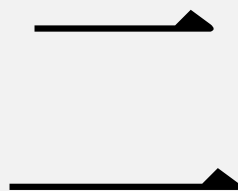

I'm probably going to start providing study materials in the near future, and I wanted to let all V10 Japan readers try these flashcards out!

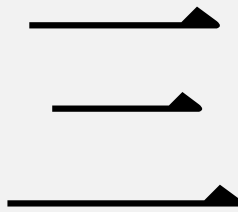

-Travis V10 @ v10japan.com

### **HOW TO USE**

Simply print out the pages with flashcards on them and cut across the dotted lines. Then, fold over the middle line in the flashcards so they have writing on the front and on the back.

	<p><i>Readings</i> イチ (ichi)</p>	<p><i>Meanings</i> One</p>
---	--------------------------------------	--------------------------------

	<p><i>Readings</i> 二 (ni)</p>	<p><i>Meanings</i> Two</p>
---	-----------------------------------	--------------------------------

	<p><i>Readings</i> サン (san)</p>	<p><i>Meanings</i> Three</p>
---	-------------------------------------	----------------------------------

四

*Readings*

シ (shi)

四 (yon)

*Meanings*

Four

五

*Readings*

ゴ (go)

*Meanings*

Five

六

*Readings*

ロク (roku)

*Meanings*

Six

七

*Readings*
